**Re: FOIA Request for TSCA Information; CASRN 36425-16-8**

Dear Sir or Madam:

Pursuant to the Freedom of Information Act (FOIA) (5 U.S.C. § 552), and EPA's freedom of information regulations, I am writing to request information regarding the chemical substance, *2-Propenoic acid, 2-methyl-, polymer with (chloromethyl)oxirane, 2,5-furandione and 4,4'-(1-methylethylidene)bis[phenol]*, with Chemical Abstracts Service Registry Number (CASRN) 36425-16-8. Specifically, we request information for this substance, as follows:

- (1) The Toxic Substances Control Act (TSCA) (15 U.S.C. § 2601 *et seq.*) Inventory Reporting forms (either "Form A's", "Form B's", "Form C's", "Form D's", PMN's, or any such forms) that were used to report this substance for the TSCA Chemical Substance Inventory ("TSCA Inventory");
- (2) A Chemicals in Commerce Information System (CICIS) (or equivalent) printout for this substance; and
- (3) The number of companies, if any, who reported this substance for the TSCA Inventory but who claimed their identity as confidential.

With respect to item (1), please note that we are requesting copies of the original TSCA Inventory form(s) reporting this substance, not, for example, a computer printout indicating receipt of reporting form(s). We are also not requesting any TSCA Inventory Update Rule or TSCA Chemical Data Reporting Rule forms submitted for this substance.

We agree to pay reasonable search and reproduction costs for this information, up to \$250. A quick response would be greatly appreciated.
